

Standard Operating Procedure (SOP) - OPS-003

Reception Opening & Closing Procedures

Purpose

To ensure the reception area and client facilities are clean, welcoming, safe, and fully prepared for clients at the beginning of each day, and that the premises are secured and left in good order at the end of the day.

Responsibility

This procedure should be completed by the designated Receptionist, Administrator, or any authorised member of staff responsible for opening or closing the clinic.

Opening Procedure

Complete the following before the first client arrives:

1. Open the Premises
 - Unlock and open the clinic.
 - Disarm the alarm system (if applicable).
 - Carry out a brief visual check to ensure the premises are safe and secure.
2. Prepare the Environment
 - Turn on all required reception and clinic lights.
 - Turn on the heating if required.
 - Open windows for ventilation if appropriate and weather permits.
 - Ensure the reception area is clean, tidy and welcoming.
 - Straighten furniture, cushions and displays where necessary.
3. Reception Presentation
 - Check that fresh flowers are present and looking their best. Replace water or remove any wilted flowers if required.
 - Light reception candles (only where safe and appropriate).
 - Ensure promotional materials, magazines and displays are neat and organised.
4. Refreshment Station
 - Ensure tea, coffee and refreshments are fully stocked.
 - Check that cups, glasses and stirrers are available.
 - Refill the water cooler if required.
5. Client Facilities
 - Check the client toilet.
 - Ensure there is:
 - Hand soap
 - Toilet roll
 - Hand towels
 - Ensure the toilet is clean, tidy and presentable.

6. Final Walkthrough

- Complete a final walk around reception and communal areas.
- Ensure the clinic is clean, welcoming and ready to receive clients.

Closing Procedure

Complete the following after the last client has left:

1. Reception & Client Areas

- Tidy the reception area.
- Return furniture to its usual position if required.
- Dispose of any rubbish.
- Empty reception and kitchen bins if needed.

2. Refreshment Station

- Wash and put away any used cups or glasses.
- Wipe down kitchen surfaces.
- Leave the tea and coffee station clean and organised.

3. Client Facilities

- Check the toilet is clean and presentable.
- Replenish soap and toilet roll if required for the following day.

4. Secure the Premises

- Blow out all candles.
- Turn off all lights.
- Switch off the heating (if in use).
- Close and secure all windows.
- Ensure all external doors are locked.
- Set the alarm (if applicable).

5. Final Check

Before leaving, complete a final walkthrough to ensure:

- All lights are switched off.
- Candles have been extinguished.
- Windows are closed.
- Heating is switched off.
- Bins have been emptied if required.
- The premises are secure and ready for the next working day.
