

Standard Operating Procedure (SOP) - OPS-006

Payment Processing

Purpose

To ensure all client payments are processed accurately, securely and consistently, maintaining accurate financial records while providing a professional and efficient experience for every client.

Responsibility

This procedure should be followed by all Receptionists, Administrators and authorised members of staff responsible for processing client payments.

General Principles

All payments should be:

- Processed accurately and promptly.
- Recorded correctly within the clinic's systems.
- Handled professionally and confidentially.
- Processed in accordance with the clinic's pricing structure.

Only authorised members of staff may process payments or issue refunds.

Before Taking Payment

Before requesting payment:

- Confirm the client's identity.
- Confirm the treatment or service received.
- Check the correct fee has been applied.
- Ensure any additional products or services have been added to the invoice where applicable.

Accepted Payment Methods

The clinic accepts the following payment methods:

- Debit card
- Credit card
- Cash
- Gift vouchers (where applicable)

Processing Card Payments

When processing card payments:

- Confirm the total amount with the client before processing.
- Process the payment using the approved card payment terminal.
- Wait for confirmation that the payment has been authorised.
- Provide the client with a receipt if requested.

- Thank the client before they leave.

If a payment is declined:

- Politely inform the client.
- Offer an alternative payment method.
- Maintain discretion and professionalism at all times.

Recording Payments

Following successful payment:

- Record the payment within Aesthetic Nurse Software (ANS).
- Ensure the invoice has been updated.
- Record the payment method.
- Check that all financial records are complete before closing the appointment.

Outstanding Balances

Where payment cannot be taken immediately:

- Record the outstanding balance within ANS.
- Inform the appropriate practitioner or Clinic Manager.
- Arrange payment as soon as reasonably possible.
- Maintain accurate notes of any agreed payment arrangements.

End of Day Reconciliation

At the end of each working day:

- Ensure all appointments have been marked as paid where applicable.
- Confirm all invoices have been completed.
- Report any discrepancies to the Clinic Manager immediately.
- Ensure financial records are complete before closing the system.

Confidentiality & Security

Staff must:

- Handle payment information confidentially.
- Never record or retain clients' card details.
- Ensure payment terminals are used securely.
- Comply with GDPR and all applicable financial and data protection requirements.

Quality Assurance

To maintain accurate financial records:

- Process payments promptly following treatment.
- Double-check invoice amounts before taking payment.
- Record all payments immediately within ANS.
- Report payment discrepancies or technical issues as soon as they are identified.
